KEY FEATURES

ECO-POWR™ motor uses 32% less energy than traditional motors while still delivering 5.0 hp of performance, saving facility owners up to \$3,000 on annual electricity bills

Tri-color dot matrix display with multiple program options

MyFlex™ deck cushioning system delivers proportional cushioning effects regardless of user weight and is so durable it has a lifetime warranty

Large 22" x 61" belt provides ample running space and is constructed from carbon-weave, low friction material that is resistant to static buildup

LIFETIME WARRANTY on motor, frame and cushioning system

Optional entertainment screen bracket

T650 features an easy-to-use tri-color dot matrix display featuring professional programs including Fit Test – Gerkin and Bruce. This visually stimulating display features CardioAdvisor™ and multiple feedback options.
